

2025 Race the Reserve

Sponsorship Form

CHS Parents of the class of 2026 are proud to present the **2025 Race the Reserve - Saturday, August 9th, 2025**. This unique race offers breathtaking views of Ebey's Landing National Historic Preserve, featuring sweeping vistas of the Olympic Mountains and the Puget Sound, all while traversing historic prairies and scenic trails. Not only does the race offer a challenging and rewarding experience for runners, but it also supports a cause close to our hearts.

The proceeds from the event will benefit the Coupeville High School's 2026 Senior Class, specifically funding their graduation week activities and a safe and sober graduation night. As a vital part of the Whidbey Island community, we are inviting local businesses to partner with us as sponsors for this exciting and meaningful event. Below, you will find a detailed sponsorship package outlining the various opportunities. We are confident that this partnership will not only help ensure the success of the race but will also promote your business to an engaged audience.
